- Teacher-in-charge: Mr. Pang Chi-wing (Tourism & Hospitality)

Q: What is your aim/target of joining our special school event this time?

A: We aim to let students broaden their horizons and learn about the impacts of revitalized buildings on Hong Kong's tourism industry.

Q: How would you comment on the event's overall arrangement?

A: The arrangement was great. Through the guided tour in the museum, we listened to a lot of fun stories of the past; the rooms and beds were comfortable; The seminar was very interactive and informative, creating a great atmosphere among the students.

Q: Which is your favorite part?

A: The accommodation experience at YHA Mei Ho House Youth Hostel.

Q: Did the students find the event enjoyable? What did they learn?

A: Yes. About the revitalization project, the history of public housing, hosteling culture and hostel operations.

Q: Any fun happenings during the event?

A: The students were so happy to interact with tourists from different countries at various corners of the hostel and experience the hosteling culture!
